

## FOOD@SYDNEY SEMINAR SERIES 2014

### ACTING FOR PEOPLE AND FOR THE PLANET

**in collaboration:**  
SYDNEY IDEAS  
CHARLES PERKINS CENTRE  
SYDNEY ENVIRONMENT INSTITUTE

This exciting initiative from the Food, People & Planet node of Sydney Environment Institute is presented in collaboration with the Global Food Security node of the Charles Perkins Centre and Sydney Ideas. Leading academics, influencers and activists from Sydney and beyond will tackle critical food challenges, from food waste to food sovereignty and from obesity to smallholder agriculture.
